

## Custom Web Design

Our custom web designs start from a low \$770 including GST\*. This package is perfect for businesses on a budget.

Provide us with the images and content you would like included in your website and we will custom design the website to **your** needs.

Our team will prepare an original website with **your** branding ready for deployment.

*\* \$55 setup fee applies.*

## What's Included?

The custom web design package includes 5 pages of content.

We will create a brand new website for you using the content and graphics you provide.

If you require any extra services, **insilico<sup>TM</sup>** can provide them for an additional charge.

This may include:

- extra pages
- stock images
- hosting
- domain registration
- conversion to a content management system

Any future changes to your website will incur our standard charges.

For more information on our other services, visit our website:
